**APPLICATION : 09/905,261**

Hello!

On searching for the status of the above application, I have noticed that there are errors on the "address/Attorney" page of the status statement.

- \* The name should be with one "l", thus: MacAlister
- The second line of the address should be : Rookery Park, Yoxford (Not "Rockery")
- The zip code has been omitted from the third line. This line of the address should read : Suffolk, IP17 3HQ, United Kingdom.
- \* "GB" can be an alternative for "United Kingdom"

Perhaps someone can amend these for us?

Many thanks,

John MacAlister,  
Applicant
